MONTREAL STABLES FILLED

AN ABUNDANCE OF HORSES AVAILABLE FOR MEETING OPENING THIS AFTERNOON.

Prospects Are Excellent for One of Best Meetings Ever Given by Montreal Jockey Club—Track in Extra Good Condition.

Montreal, Que., September 5.—The seventh annual fall meeting of the Montreal Jockey Club, which is scheduled to begin tomorrow, promises to be one of the best ever held at the Blue Bonnets course. There are more horses stabled at the track than were ever here before and there is not a vacant stall on the grounds. Among the owners are many who are racing in Montreal for the first time. During the seven days nine stakes will be run, including the King's Plate, Blue Bonnets Breeders' Stakes, Strathcona Steeplechase, Earl Grey Cup, Hochelaga Stakes, Provincial Nursery, Derby Cup, Champlain Stakes and Hendrie Memorial Cup. Two of these stakes are steeplechases.

The track at Blue Bonnets is in splendid condition and much faster time will be recorded than during the spring meeting. The new top dressing that was spread on the track has mixed thoroughly and the footing is now firm and solid. The clubhouse contingent should be especially strong, as society folk have returned from the mountains and seashore and the meeting doubtless will be a brilliant one socially.

Local interest in the opening day's program will center in the running of the King's Plate, for which a field of eight are named to go to the post. Two of the number, Planover and Song Bird, received their preparation for the Plate at Saratoga. There is some doubt as to Song Bird's ability to stay the route, but Planover is a stayer and undoubtedly will be a factor.

The Ottawa delegation was delayed in arriving at Blue Bonnets through the lack of cars. Several carloads arrived this morning and about five more this afternoon. There are yet a dozen carloads to come and they are due here tomorrow morning.

The club is making a special effort to feature steeplechasing at Blue Bonnets this fall. There are about fifty jumpers on the grounds, which is a guarantee that the races through the field will fill well.

Arrivals from Saratoga bring the news that the two-year-old, Birdie Williams, in the Schorr stable, injured herself badly by running into the fence while being galloped, also that Mr. Schorr purchased Afterglow from A. L. Aste, and then traded the colt to Frank Brown for the two-year-old Brownstone.

DUFFERIN PARK OPENING TODAY.

Toronto, Ont., September 5.—The second meeting of the season at Dufferin Paark will open tomorrow. The footing at the track will be much improved. The entire surface has been redressed with loam and the turns "thrown up." This will enable the horses to get around the difficult sharp north turn where so many horses ran out during the last meeting, with greater safety.

Chas. Phair, track superintendent at Dufferin Park, is on the ailing list and John Lewis has been in charge of the new work on the track.

J. H. Moody has returned from Ottawa, where he thinks he proved to the satisfaction of the officials that jockey Dreyer has no interest whatever in the filly Cloak or any of his horses. Dreyer's case will be taken up at the next meeting of the Canadian Racing Associations, and he will in all probability commence riding for W. G. King-Dodds.

Among those who shipped here from Ottawa for the Dufferin Park meeting are William Walker, H. Warner and A. Hamel.

There are so many horses here that the Dufferin Park stabling accommodations are overtaxed and fully 100 horses are perforce quartered at Hillcrest Park.

Ed Cole will again be presiding judge, with Peter E. Cullen as his associate, William M. Murray as starter and W. R. Norvell racing secretary and clerk of the scales.

Two horses, Lewis and Marcus, owned by J. D. Ferguson, of Saskatoon, arrived here this week.

NEW ZEALAND PRACTICE CRITICIZED.

A point raised against the totalizator by many owners and trainers in New Zealand is that in its interest the horses are often sent on the course fully twenty minutes before the advertised starting time of a race. Experience has taught the clubs that many race-goers will not invest until they have seen the horses do their preliminaries, and that if they were kept in the enclosure until within ten minutes of a race it would result in the shutting out of a deal of money from the machine; consequently the runners are sent out much earlier than is customary in Australia.

If ever we get the totalizator here it is to be hoped owners and trainers will receive more consideration, for we all know the effect twenty minutes on the track before the running of a race would have on some horses. It would settle many of the excitable kind before they lined up to the post, while those of a more phlegmatic order would suffer on a cold and windy day.

In order to improve matters in New Zealand the Hawke's Bay Jockey Club is proposing at the coming racing conference that no horse shall go to the starting post more than fifteen minutes prior to the set time of the start of a race, and owners and trainers in the Dominion will welcome the adoption of such a motion.—Sydney Referee.

"LUCKY" BALDWIN ESTATE IS $36,000,000.

Los Angeles, Cal., September 5.—As far as the courts are concerned the word finis was written today upon the history of the estate of "Lucky" Baldwin, famous turfman. The huge land holdings, which were debt burdened when the turfman died five years ago, now have a value of more than $36,000,000, and for their work in successful administration the court awarded the executors, Henry A. Unruh, brother of Baldwin's first wife, and attorney Bradner W. Lee, fees of $180,000 each. Unruh and Lee fixed the fees themselves. If they had not, the court said, each would have been awarded $250,000. The heirs are Baldwin's two daughters, Mrs. Clara Baldwin Stocker and Mrs. Anita Baldwin McClaughrey. These two share the estate, which has been held nearly intact, despite the onslaughts of numerous litigants and claimants after Baldwin's death.

NOTES OF THE TURF.

Arthur McKnight is doing the starting at Tulsa, as at former meetings given at that place.

No new racing center ever made the success that has attended Connaught Park and none better earned it.—Toronto Globe.

A carload of racers arrived at Lexington Thursday night from Saratoga. Little Nephew and one other belonging to M. B. Gruber; Ocean Blue, Breakers and Magnet, the property of Woodford Clay; Labold, Patruche and two others trained by W. J. Spiers, and Coy Lad, owned by H. H. Hewitt and trained by John I. Smith, were in the car. The string of James K. Allen, of Philadelphia, has also arrived at Lexington from Mineral Springs.

RACING BELL IN UNIQUE PERFORMANCE.

Walks Four Miles to Timonium, Finishes Second in One Race and Then Wins Another.

Baltimore, Md., September 5.—Although scratches were numerous, which reduced the fields at Timonium this afternoon, the horses were well matched, so that the racing was thoroughly enjoyed by the large crowd that was present. The steeplechase served as the feature of the day and was won in easy fashion by Racebrook. He made the greater part of the pace and won eased up. There came near being a bad mixup in the race. At the fourth jump, Mayor Head, while leading, hit the top of the jump and received a nasty fall. Orderly Nat, close behind, fell on top of him and the boys on Virginia Creeper and Erato just did manage to pull out of harm's way, although they went so wide that it put them practically out of the running and Virginia Creeper was eased up in the next turn of the field. Patterson, who rode Mayor Head, was kicked in the head and chest by Orderly Nat and was unconscious for a time, but escaped unhurt except for a cut and a lump on his head. Helms, Orderly Nat's rider, was considerably shaken up.

Racing Bell figured in the star performance of the afternoon, for, after being walked four miles to the track, she finished second in the fifth race and then came back and won the closing dash. Tommy Wright, the gentleman rider, was to have had the mount on Racing Bell in the last race, but when he learned of her long walk and that she would be a starter in two events, he declined to accept the mount and Upton was substituted. Racing Bell is a sister to Racebrook, which won the jumping race.

JUDGE WRIGHT AGAIN IN TRAINING.

Louisville, Ky., September 5.—Judge Wright, unbeaten and now a three-year-old, and six other horses owned by F. J. Pons, arrived here yesterday from their owner's breeding farm in Tennessee, to join his string of horses previously quartered at Douglas Park. This son of Superman appears to be in fine condition to go into training again. Both Pons and his trainer, W. R. Sallee, think that Judge Wright is practically sound once more. The colt has not started since last summer. The other horses that came from Tennessee with Judge Wright include Pike's Peak, Snowflake, Dick's Pet, John Hatcher, Armor and Luxurious. All had been turned out in Tennessee since early last spring and all appear to be in robust condition, though none of them will be ready for early racing this fall. With this addition to the Pons string of eleven horses that trainer Sallee brought here from Windsor some time ago, and the horses still racing in Canada in charge of Ed Trotter, which will soon be shipped here, Mr. Pons' assignment of twenty stalls in the big barn at Douglas Paark will be completely occupied. All reservations in this barn are now taken. In the east end, besides the Pons, string, is the big stable of J. B. Respess, while one side of the west end of the barn is reserved for the fifteen horses that John Lowe is training for Joseph Schreiber and other owners. Just opposite, Lew Marion, Miller Henderson and Charles Rowe have their horses quartered and will retain this division of the big barn until the fall meeting of eleven days' racing at Douglas Park, beginning on Tuesday, September 23, is over on Saturday, October 4, the date set for the running of the $5,000 Louisville Cup.

Lew Marion will ship Prince Hermis, Sam Hirsch, Verena and his four other horses to Lexington next Monday for the coming meeting there, beginning next Thursday. His stalls here will be reserved for his occupancy when he returns to this course at the conclusion of the meeting at the Kentucky Association track. Prince Hermis is apparently in grand condition now and Marion is taking him to Lexington with his other horses chiefly to give him a race in preparation for his engagement in the $3,500 Douglas Park Inaugural Handicap, one and one-sixteenth miles, to be run on the opening day of the Douglas Park meeting. This good looking three-year-old is a poor work horse and for this reason Mr. Marion feels that he will only do justice to himself in the Inaugural Handicap by getting a race in advance.

James Lally arrived yesterday from Latonia with four horses, namely, Idleweiss, Alfred V., Royal Tea and the two-year-old filly, Lady Moon'et, by Dick Welles—Moon'et. He turned Royal Tea over to Hunley Baker, who congratulated Lally on the care he had taken of this speedy horse, inasmuch as when Baker left Royal Tea at Latonia last summer he was afflicted with blood poisoning. Lally says Royal Tea at first fell off to almost a skeleton and for a time he expected the horse to die. However, he finally began to pick up rapidly. It will be some time, though, before he will be able to race again. Alfred V., the three-year-old in Lally's string, is owned by the well known Cincinnati turfman, Jake Marklein, and is the only horse Mr. Marklein has in training. Lady Moon'et belongs to W. E. Walsh and is entered in the Beechmont Stakes at Douglas Park, the Golden Rod Stakes at Churchill Downs and the Fort Thomas Handicap at Latonia this fall. She is regarded as quite a promising racing prospect. Idleweiss is the only horse now owned by trainer Lally. He looks particularly well and apparently his summer let-up has done him much good. Whenever muddy conditions prevail on the local tracks this fall Idleweiss may be considered as dangerous in races where he is not outclassed. Lally says J. T. Weaver has his string, including the great filly, Gowell, at Lexington, and that the Latonia Derby winner of 1913 was in superb form when she left Latonia for the Kentucky Association track.

The only other arrival at either of the local tracks yesterday was Coppertown, which was taken to Douglas Park to join Farmer Joe, the other horse in Tom Brown's string, which has been quartered here for a week or more. Coppertown appears to be ready to race and will likely be a frequent starter during the coming meeting here and at Latonia.

Stall room has been reserved at Churchill Downs for seven horses owned by Capt. P. M. Walker, whose string is now at Lexington. Oakhurst, a seven-year-old son of Ogden, is eligible for the $3,500 Autumn Inaugural Handicap and the $5,000 Louisville Cup, two miles, at Douglas Park, and the two four-year-olds in Captain Walker's string, Isidora and Bard of Hope, are engaged in several stakes this fall at Douglas Park, Churchill Downs and Latonia. Capt. Walker, who is a most enthusiastic turfman, hopes in another year to be able to secure a high-class long distance horse to carry his colors in the four-mile Kentucky Endurance Stakes.

It is understood here that the three horses retained by the Albany turfman, Frank J. Nolan when his Beverwyck Stable was sold at Saratoga, will be brought to the local tracks this fall by trainer Charles H. Hughes. One of the horses Mr. Nolan retained is Colonel Holloway, which ran second to Sotemia in the Kentucky Endurance Stakes last fall, and has again been entered by Mr. Nolan for this fall's revival of the $15,000 four-mile race, which is set for the opening day of the meeting at Churchill Downs. Trainer Hughes had Colonel Holloway in charge when he ran in this stake and the Latonia Cup last fall. Colonel Holloway is also engaged for the $5,000 Louisville Cup, two miles, at Douglas Park. The other two horses that Mr. Nolan retained are Aldrian and the high-class stallion, Sir John Johnson.
